

Dr. Rebecca Salter  
Governor, Southeastern Region

*Alabama, Florida, Georgia, Puerto Rico  
and the Virgin Islands*

**6<sup>th</sup> Annual Scholar and Artist Series**  
**Call for presentations, lecture recitals, performances, workshops, and posters**

The Scholar and Artist Series was designed to give our members an opportunity to share their talents, research, and expertise with one another. A committee will review submissions and choose the presentations to provide a varied program for the benefit of participants and guests at our annual regional conference and student auditions. Proposed presentation topics should appeal to both teachers and students.

**Submission requirements:**

- Principal performers/presenters must be SERNATS members in good standing.
- Proposals must include an abstract of no more than 250 words that includes a statement describing why the presentation will be of interest to SERNATS members and students.
- Proposals and any accompanying documents (abstract, audio files, etc.) must NOT contain any identifying information as proposals will be reviewed through a blind review process.
- Sound files must not exceed 10MB and must not include identifying information.
- Presenters must identify any special equipment needed (projectors, microphones, etc.).
- Applicants are allowed to submit a maximum of *one* proposal.
- **NEW!!** Presenters may request a 25-minute or 45-minute time slot. Performances should be 25 minutes, but a limited number of longer presentations will be accepted for topics which cannot be adequately presented in 25 minutes.
- If this is a group application, include a 100-word bio and a high-resolution headshot for each member of the group. Only one application should be submitted.
- All presenters must be registered for the 2024 SERNATS Annual Conference and Student Auditions.

The application deadline is **11:59 p.m. Friday, December 1, 2023**. To apply for the 2024 SERNATS Scholar and Artist Series, [click here](#). Applicants chosen to participate will be notified by January 1, 2024 and must confirm their participation by January 15, 2024.

Presenters are required to provide their own materials, including handouts. A QR code at the door or embedded in your Power Point presentation is recommended to deliver handouts digitally.

Presentation sessions are on Friday and Saturday of the conference; presenters must be available for either session.

*Please note that presenters and/or performers are responsible for travel and lodging as SERNATS is unable to fund or reimburse travel expenses.*

SERNATS will be held at the University of Alabama, Thursday, March 14 – Saturday, March 16, 2024.
