### **6th Annual Student Poster Session Call for posters**

The **student poster sessions** are designed to give student SERNATS members and students of active SERNATS members an opportunity to share their research. This is the perfect forum to give a “2-minute/elevator” presentation about your dissertation, thesis, or honors paper. A committee will review submissions and choose the presentations to provide a varied program for the benefit of participants and guests at our annual regional conference and student auditions.

**Topics for poster papers may include** Voice Pedagogy, Voice Science, Vocal Health, Technology and Teaching, Vocal Repertoire, Performance Practice, Commercial Styles, Musicological Studies, or any other topic related to the art and science of singing and teaching singing.

Submission requirements:

- Poster presenter(s) must be either a student SERNATS member in good standing or a student of a SERNATS member in good standing.
  - If submitting as a student member, you must submit the name of your University/College and e-mail of one active SERNATS member we may contact who can verify your expertise in the area you are proposing.
  - If submitting as the student of a SERNATS member, you must submit the name and e-mail your voice teacher or faculty advisor.
- Proposals must include poster title and an abstract of no more than 200 words.
- Proposals and any accompanying documents (abstract, audio files, etc.) must NOT contain any identifying information as proposals will be reviewed through a blind review process.
- Applicants are allowed to submit a maximum of **one** proposal.
- If this is a group application, include a 100-word bio and a high-resolution headshot for each member of the group. Only one application should be submitted.

The application deadline is **11:59 p.m. Friday, December 1, 2023**. To apply for the 2024 SERNATS Student Poster Session, [click here](#).
