

2026 SERNATS Staff Collaborative Pianists

Note: the SERNATS Auditions Team will not be assigning staff pianists or collecting staff pianist fees. If a staff pianist is needed, teachers/students will contact and pay the staff pianists directly. **Arrangements must be made prior to registration. You must name a pianist at the time of registration and may not select "staff."**

Pianists on this list have agreed to the staff pianist rate of \$45 for up to three songs and \$60 for four or more songs. Please note these fees only include a short consultation (time permitting), the preliminary round, seminal round, and Winners Concert. If a student only sings in the preliminary round, the fee remains the same. Rehearsal time is not included in the rate, but may be negotiated separately, at the discretion/availability of the pianist.

Please make arrangements with staff pianists early, as they need to be secured prior to registration. Pianists may play for up to twelve (12) student entries per day. One student entering two categories in one day counts as two entries.
